REPORT OF DEPARTMENTAL SEMINAR

The department of education conducted a seminar for the 6th semester students as part of the internal assessment on the 18th and 19th April 2022.

OBJECTIVE: Each student as per the mentor- mentee list was assigned a topic in order of preference by the respective mentor. This particular seminar was for the 8th paper i.e; Educational Technology where students have to put into application what they were taught in the classroom. Thus enabling students to understand the techniques and tools that can be applied in teaching and learning so that there can be overall change in the behaviour .
