REPORT

DEPARTMENTAL SEMINARS ON *WASTE MANAGEMENT*

(Sponsored by Rashtriya Uchchatar Shiksha Abhiyan)

The Seminar Committee, Kiang Nangbah Govt. College had proposed that in order to bring to the forefront the issues of waste management, seminars at the departmental level are to be conducted by all the Departments in the College on the topic **WASTE MANAGEMENT** under the sponsorship of RUSA. A schedule had been framed by the Committee so that the Departmental Seminars would be held smoothly and without any inconvenience. Only the 5th Semester students of the different departments of Arts, Science and Commerce streams participated in these Seminars. The students presented their papers on the topic at the Departmental level during which a student with the best paper presentation was selected by a panel of teachers of the department as the winner. The winner from each Departmental Seminar will be given the chance to compete in the Interdepartmental Seminar at a date to be arranged later.

The expenditure of all the departments for conducting the seminars is borne by RUSA, KNGC, Jowai. Two flex banners were made for the purpose of conducting the seminars. A digital version of the flex was also made available to the HODs of all the departments.

All the Departments had smoothly conducted the Departmental Seminars according to the schedule given by the Seminar Committee. Certificates will be distributed to the participants and the winners.

Subject: Departmental Seminars sponsored by RUSA

Sir/Madam,

I would like to kindly request you to organize a Departmental Seminar to be sponsored by RUSA for the 5th Semester students of your department on the theme Waste Management to help students engage with this important and relevant topic. In this connection, I would like to propose that all Departmental Seminars be held according to the schedule put forward by the Seminar Committee so that the events will run smoothly. The name of the best presenter (only one) of the Departmental Seminar can be submitted to the Seminar Committee so that the student can compete in the Interdepartmental Seminar on the same topic to be held at a later date.

An amount of Rs.1000/- (Rupees One Thousand) only will be disbursed to your Department for utilisation in the seminar for certificates and other needs when the receipt of expenditures is submitted to the Coordinator of RUSA, KNGC. I would like to kindly request you to mention the sponsor (RUSA) in your certificates.

I would also like to request you to use a digital flex background if possible to help reduce waste.

Your kind co-operation will be highly appreciated.

Thanking you,

Yours sincerely,
