The programme was concluded with the Chairperson thanking the Resource person, the Principal, the committee members, the Teachers and students attending the Programme for their cooperation.

The Programme was a huge success with more than 200 students registered their attendance, which is a full house as per the capacity of the college Auditorium. Many students could not attend the programme due to the unavailability of seats in the auditorium, and many students were standing from the verandah of the Auditorium listening to the programme and their attendance could not be recorded. The students greatly benefitted from the programme and they will be more alert and cautious in the behavior and interactions with the junior students.
