B.SC 5TH SEMESTER 2021-22 DEPARTMENTAL SEMINAR

REPORT

The Departmental Seminar for B.Sc 5th semester was conducted on the 3rd November 2021 in the College computer Laboratory (Main building) at 11:00Am. Shri R. Nanghuloo & Dr D. Suchiang, Faculty Members of the Department was the Teachers In charge for conducting the seminar. The seminar was chaired by Shri R. Nanghuloo, which welcome all the students and the Teacher In-charge and also highlighted about the aim and objective of Seminar to the students who will be present the seminar.

The students were notified vide notice no KNGC/D-08/PHYS/2020-21/N/93 dated 24th September 2021 and KNGC/D-08/PHYS/2020-21/N/103 dated 1st Nov. 2021. The students were allowed to choose any topics from the B.Sc 5th semester syllabus 2015, for duration of 10 minutes. All students were asked to present the seminar using Power Point.

The main aim of the seminar was to helps the students to have an in depth understanding of the subject in general and the topic in particular and also to have a knowledge about how to prepare and present seminar using Power Point. This seminar was also considered to be one form of continuous internal assessment hence students were graded as per their performance which were divided into the following points:

- a. Introduction
- b. Presentation
- c. Slide content
- d. Question & Answer

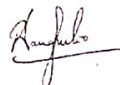

The seminar was presented by 33 students who had recorded their attendance.

All the students tried their level best to deliver the presentation and also to answer the questions asking to them by their fellows' classmate. Before the end of the program, students were allowed to give verbal feedback in which they expressed their satisfaction and appreciation to the department for the opportunity that will help them built self-confidence and better understanding about the topics that were discuss in the seminar which will also help them for the preparation of their Exams

The program was end with the suggestion and feedback to the students from Dr D. Suchiang, one of the Teacher In-charge

Teachers in charge:

1. Shri R. Nanghuloo, Asst. Prof.

2. Dr. D. Suchiang, Asst. Prof.
