**Report on Study Tour Cum enrichment programme to Sohra on 5<sup>th</sup> May, 2023.**

The study tour cum enrichment programme for the students of BA 6<sup>th</sup> semester, Khasi Department, Kiang Nangbah Government College, Jowai took place at Sohra on the 5<sup>th</sup> May, 2023. The places visited are 'Thangkarang Park, Nohkalikai Falls and Ka Bri ki Synrang'.

**Objective :** To acquaint students with life outside the classroom, develop new relationships with their peers. In particular to experience the beauty of nature which inspired some of the Khasi poets.

**6.30 AM** – Students of the 6<sup>th</sup> semester arrived on campus and their attendance was taken. Altogether there are 38 students along with one faculty member Smt. H. Sutnga Asst. professor, and Head of the Department.

**7.00 AM** – We left the college and began our journey to Sohra by college bus and arrived at Thangkarang Park at 11.00 AM.

**11.00 AM** – Our first destination is Thangkarang Park. On reaching there we had lunch and enjoyed the leisure time by walking around the park to relax ourselves after a long journey from Jowai. Students enjoyed selfie as the park has a lot of greenery with tall trees and flowering plants. We left the park at 12.30 PM.

**1.00 PM** – The next site we have visited is Nohkalikai Falls. Here the students got to learn about the knowledge that has been passed through generations. It has deepened their understanding about Nohkalikai Falls beyond classroom discussions as it is one of the historical places which is relevant in Khasi literature.

**3.00 PM** – When we reached at "Ka Bri ki Synrang" we all enjoyed the beauty of nature with rocks, small caves, springs, waterfalls and streams. Each spot is a new adventure to us. The freshness of air, the roaring sound of waterfalls and the dense forest really touch our hearts. It is really a place which can inspire the poets to write. We concluded our tour here and made our way back to Jowai at 5.00 PM.

**8.00 PM** - On the way to Jowai, we stop at Mawryngkneng for tea and reached Jowai at 9 PM.

This study tour cum enrichment programme has provided students with learning experience that combined cultural heritage, environmental awareness and personal growth.
