1st August, 2023

Report of Orientation Programme on 4-Years Under Graduate Programme (FYUP), NEP 2020 for 1st Semester-Conducted by Department of Physics for Session : 2023-24.

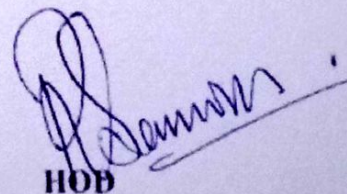

Orientation Programme on 4-Years Under Graduate Programme (FYUP), NEP 2020 for 1st Semester Physics Major for Session 2023-24 was organized by Department of Physics, KNGC, Jowai in Collaboration with the Internal Quality Assurance Cell (IQAC), KNGC, Jowai on the 1st August, 2023, in Room 24 (Science Block Building). The resource person was Dr. D. Suchiang Asst. Professor Department of Physics. The programme was attended by 32 Physics Major students along with the faculty of the department.

The programme started 12.30 P.M. with general instruction and welcome address to all students and faculty by Shri. T. Bamon, Associate professor & HOD of the Department, followed by short speech from Ms. P. Mukhim Associate professor and Shri. R. Thongney, Selection Grade lecturer and key note address by Shri. R. Nanghuloo.

The purpose of this programme was to make the student aware of the important of NEP, 2020, and also to provide them with all necessary information about 4-Years Under Graduate Programme (FYUP), NEP 2020 course which are implemented by the college from the session 2023-24. The resource person highlighted *the structure of the Syllabus, the credit score, Major and Minor subject, the Multi-Disciplinary Courses (MDC), Skill Enhancement Courses (SECs), Ability Enhancement Courses (AECs) and Value Added Courses (VACs)* offer by the College.

In addition to the course offered the resource person also highlighted about the **Examinations, Assignment, College library and other extra-curricular activities in the college.**

The programme was well plan and well conducted and all the students will allowed to know each other by introduce themselves one by one. The program concluded with a vote of thank from Shri. R. Nanghuloo Asst. professor, Department of Physics, KNGC, Jowai.
