**Enrichment Programme Report Conducted by Zoology  
Department.**

**Introduction:** The Department of Zoology organized an Enrichment Programme for the 5<sup>th</sup> semester students on the 22<sup>nd</sup> September 2022 by visiting the poultry farm, Jowai at the Office of Animal Husbandary and Veterinary, Govt. of Meghalaya. It is a one-day programme which started at 11.00 AM. Two Officers namely, Dr. V. Passah and Dr. F. Dhar delivered a lecture cum demonstration for the students. There were 27 students who participated in this programme, accompanied by 4 teachers, Smt. D. A. Pde (HOD), Dr. (Mrs) L. M. Darnei, Smt. W. M. Dkhar and Sh. P. Suchiang.

**Concept:** Enrichment programme provides extended learning opportunities to the students and help them to explore the importance of poultry farming which they could get better and clearer knowledge of what they have learned about the genetically bred animals and its products related with their prescribed syllabus.

**Aim:** The main aim of this programme is to enlighten the students to be skilled and be self-employed even in future.

**Objectives:** The objective of this particular Enrichment programme is to inculcate in the mindset of the young students to take initiative steps for skill training programme related in this particular field and become an entrepreneur as there is a huge demand of the poultry and its products from the economical point of view.

**Conclusion:** The programme was interesting for the students; they were very excited and eager to know about its importance. They were also very enthusiastic to learn more about it. This programme motivated the students to find out their inner interest and skill in this particular field of learning.
