FROM THE PRINCIPAL'S TABLE

It is an enjoyable pleasure to see that all the schemes received are properly implemented within the specified, speculated time frame as well as in its spirit of vision and mission with great enthusiasm and adventures, the *“Equity Initiative”* Scheme initiated by Rashtriya Utchchar Shiksha Abhiyan (RUSA) which cover a wide range of students centric Development Programmes have been firstly implemented in the college in its maiden form in the current year of 2018, which includes Tutorial Classes, Departmental Seminars, District, State as well as National Seminars on varied academic spectrum, Women’s Cell Counsellor, Career Guidance Counsellor, Music and Skill Development.

In fact I am indebted to any officers who have dedicatedly rendered their valuable services in order to make these Schemes successful ones. These are Shri. R. Nanghuloo, RUSA Coordinator, Dr.(Smt) B. Gashnga, Dr. J.P Sharma, Shri. L.D Lyngdoh, Member Secretaries of Women Cell, Career Guidance and Music as well as Mrs. E. Suchiang convener of Skill Development Committee.

It was no wonder, that things that we have done were all wonderfully achieved with great surprised. This makes me confident enough to conclude that, the Institution itself still hold its head high, which means Kiang Nangbah Government College shall ever hold its name and fame in all direction hereafter.

RUSA CELL
KIANG NANGBAH GOVERNMENT COLLEGE, JOWAI

First of all I would like to thank our Heavenly Father for the insight received by RUSA Committee to put the Skill Development Training as one of the activities on Equity Initiatives. I am grateful to the Skill Development Committee in collaboration with the Women's Group and Handicrafts Multipurpose Co-operative Society Ltd. Madankynsaw, Mowkyndeng for organizing the Short Term Certificate Course on Skill Development Programme.

I am very happy to be a part of the Inaugural Function of the Training Programme which was held on the 27th August. 2018, in the College. The program was a grand one where our respected Principal, Shri O.U Lyngdoh, on his speech highlighted us about the meaning of the Skill Training and the benefits of it. Smt Isabella Pakma, the Secretary of Women's Group, on her Speech highlighted us about the schedule of the Training and also the importance of attendance, punctuality and hard work from the students side. I am very thankful to the Committee for giving me the opportunity to give a short speech during this program where I have highlighted the main objectives of RUSA especially about the components of Equity Initiatives and different programs which are being held in the College.

On the first day of the training I was happy to see that the students were enthusiastic, especially for those who are from urban based which was a new discovery for them to cut a piece of cane and bamboo for making flowers and Khripathi and also try to concentrate to the instruction of the trainers. I was deeply impressed at the works which was done by the Committee members for taking the attendance to the students daily and inspected their performance every day. Eventually, I was satisfied to see that the students learned many things from this training. Most of the girls learned how to make flowers of different kinds like the Rimet-jrong Flower, the Chyrngan Flower, the Noop Flower, the Dopkwai Flowers, the Phrangsngei Flower etc . Whereas most of the boys learned how to make Khripathi , Bamboo Flower stand (Klong-Syntusiej) etc. I am fully satisfied about the performance of the students in this Training Programme.

On the closing ceremony of this training, i.e the 20th Sept. 2018, when all the things made by the students were displayed it was truly satisfying to see the products and very hard to believe that it was made by our students within a short span of time. During the closing ceremony program, all the speakers congratulated of the Skill Development Committee, the Women's Group and especially the students for their hard works and successful results. The certificates of the course completion were distributed to the students on the same day.

I, on behalf of RUSA Committee KNGC, Jowai would like to express my sincere thanks for the active participation and hard work to Smt. Evelinda Suchiang, Convener Skill Development Committee, the remarkable contribution of the Committee Members, Shri V.L.P Lyngwa, Shri S.Pohtam, Smt E. Shullai, Smt P. Diengdoh and the Women's Group for making this training a wonderful and successful one. Special thanks to Shri. Anvil R. Laloo for his unique contribution. May God bless one and all.
